MISSION STATEMENT OF NAZARETH PRESBYTERIAN CHURCH

To worship and glorify God and to make disciples for Christ.

Dear Friends,

I have always loved fall. The colors are so plentiful and vibrant and I loved the fresh air as well as the perfect temperatures - not too hot and not too cold. Amy and I decided a few years ago that October is the busiest month of the year at Nazareth and there are so many worship opportunities, fun activities and missions to participate in that you will want to read every word of the Meeting House News!

When was the last time you shared a meal with someone on the other side of the world? This Sunday, October 4, is one of my favorite days of the year - World Communion Sunday. First observed in 1933 at Shadyside Presbyterian Church in Pittsburgh, it was adopted by the PC(USA) in 1936 and the Federal Council of Churches in 1940. This special day of worship was designed to unite Christian denominations worldwide across cultural, linguistic and national boundaries. Churches throughout the world will celebrate that we are equipped to fulfill the Great Commission because we are unified in our task and spiritually fed by body and blood of Christ, no matter where we live or how we worship. May we rejoice that we are more alike than we are different. This is why the Apostle Paul wrote:

"There is one body and one Spirit, just as you were called to the one hope of your calling, one Lord, one faith, one baptism, one God and Father of all, who is above all and through all and in all." (Ephesians 4:4-6)

In a world that seems so divided, this is a beautiful way to celebrate the love of God, the grace of our Lord, Jesus Christ and the fellowship of the Holy Spirit that unites us to brothers and sisters across the globe. Continuing with the idea of unity as Christians, please join us in the Fellowship Hall at 2:30 to welcome representatives from Foothills Presbytery to hear conversations about their experiences at our 227th General Assembly meeting this past summer. This will be an opportunity to reflect on our challenges and hopes for Nazareth and the wider church and to ask questions about proposed amendments to the Book of Order, share concerns and listen with grace as we learn from one another and practice being the church as God calls us, even when we have different perspectives.

Danny and I are going to travel to Alberta, Canada for a week in October so we can take Banff and Lake Louise off our bucket list. We covet your prayers for safe travels.

Blessings,

Julie

YEAR of PRAYER at Nazareth
October – A Season of Gratitude, Reflection, and Faith

While researching October for a special prayer and devotion, I discovered fascinating insights into the month's significance. October, often called the "Golden Month," is viewed by many to be a time of seasonal change. We watch nature put on its beautiful display of our Lord's endless palette of magnificent colors. The cooler weather invites us to slow down, enjoy the outdoors, and enjoy the beauty that surrounds us.

For some, October marks the end of the harvest and the start of winter preparations. We put away our summer clothes, embrace "sweater weather," and anticipate the upcoming holidays already filling store displays. October can be a wonderful time for spiritual reflection. It gives us an opportunity to examine our faith and our prayer lives, express gratitude for all that our gracious Lord has provided and strength to live in a way that reflects the love of our Lord and Savior, Jesus Christ.

Finally, October is Breast Cancer Awareness Month, which has touched so many lives and families. As a way to remember anyone who has passed away from cancer or to celebrate those who have survived cancer, there will be a "Memory Board" outside of the prayer room. Anyone in the congregation is free to add a name. Please write the name of the person to be remembered or honored and draw the correct color ribbon next to their name, using the chart and markers provided. This will give the entire congregation an opportunity to show our gratitude for those cancer survivors who won their battle as well as those who were taken from us too soon.

Heavenly Father, we are grateful for all You provide: food for our tables, sweaters to keep us warm, eyes to behold your masterpieces, and a church family that is always ready to welcome and embrace us. Lord, please give us the wisdom and compassion to truly see everyone and share your love. Strengthen our faith and guide us to live in a way that honors You. Please Lord lift up everyone affected by breast cancer or any other kind of cancer. Bring them comfort, strength, hope and peace. Surround them with caring people and remind them they are never alone. Help us to be grateful for Your blessings, mindful of those who are hurting, and willing to share Your love wherever we go. In Jesus' name, Amen.

General Assembly

Listening Together: A Conversation About the Life of the Church
Sunday, October 4, 2:30–4:00 p.m.

The Session of Nazareth has invited representatives from Foothills Presbytery and those who experienced the 227th General Assembly firsthand to join the congregation for an afternoon of listening and conversation.

Together, we will reflect on where we see God at work, the challenges and hopes we hold for Nazareth and the wider church, and the statements, declarations, and proposed amendments to the Book of Order coming from the General Assembly.

Our guests come to share their experience and engage questions together. This is an opportunity to listen with curiosity and grace, to learn from one another, and to practice being the church together across the different perspectives and experiences we bring to the conversation.

Rev. Deborah G. Foster, Presbytery Leader & Stated Clerk, Foothills Presbytery

NOMEO Men's Group: *Bread & Brotherhood*

Today definitely feels like fall—I had to rake and blow leaves off my driveway. The leaves are dropping, and there are plenty of hickory nuts for the squirrels. I understand the group had a great time eating at La Taverna Italian Cuisine.

In October, we'll enjoy another great evening of food and fellowship.

Join the **Bread and Brotherhood** group (NOMEO) for dinner on **Tuesday, October 13, 2026, at 5:30 PM at Apollo's House of Pizza! [8151 Warren H Abernathy Hwy, Spartanburg, SC 29301.](#)**

We are meeting in the back room to the left after coming into Apollo's main dining room.

We'll be in for a treat!

Apollo's offers a friendly, welcoming dining experience with delicious food. Popular choices include marinated grilled chicken, Colorado pizza, house-made dressing, and the best ranch dip. The restaurant is family-oriented, with reasonable prices and attentive staff. Parking is shared with neighboring businesses, but the overall experience remains highly enjoyable.

Let's gather to share our favorite fall stories, reconnect with old friends, and make new ones. Last time, 14 men attended—this month, let's aim for 20!

Bring a friend, neighbor, coworker, or someone new who would enjoy good company and meaningful fellowship.

We look forward to seeing you there!

Journey of Generosity (JOG)

Walking the Journey of Generosity

~~~

For many of us, the word "giving" can feel transactional—like checking a box or paying a bill. But Scripture invites us into something much deeper: a **Journey of Generosity**. This journey is a lifelong spiritual path where we learn to move from occasional giving out of a sense of duty to joyful generosity.

As the Apostle Paul reminds us in 2 Corinthians 9:7: *"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."*

### The Steps Along the Way

No matter where you find yourself today, every step forward on this path is a victory of faith:

- **The First Step:** Moving from giving what is left over to intentionally prioritizing our first and best for God's Kingdom.
- **The Habit of Consistency:** Creating a regular rhythm of stewardship; recognizing that our time, talent, and treasures all belong to Him.
- **The Joy of Sacrifice:** Reaching a point of surrender where we stop asking, *"How much should I give?"* and joyfully ask, *"How much do I really need to keep?"*

### Transformed Hearts, Transformed Community

The beautiful truth of this journey is that **generosity changes the giver just as much as the receiver**. When we give cheerfully and intentionally, we break the grip of consumerism and anxiety over our lives, experiencing the true freedom that Christ promises.

As a church family, our collective steps add up to a massive footprint of hope in our community. Every prayer offered, hour volunteered, and financial gift shared helps us share Christ's love with a world in need. Thank you for walking this path with us.

***The mission of the JOG Team is to encourage Nazareth to live a life of generosity for Christ.***

# HISTORY ~~ All Hallow's Eve

October 31<sup>st</sup> is called "**All Hallows Eve**" because it is the evening before "**All Saints Day**" which is dedicated to honoring the Saints who have died and gone before us. Therefore, some associate "Halloween" with graveyards, skeletons and spirits, much of which is drawn from superstition that has been passed down through cultural generations for centuries and has been intertwined with folk lore. Here are some examples of ominous beliefs throughout history:

An **omen** is a sign or event that is believed to predict the future, usually signaling good or bad luck.

A **black cat crossing your path** is often seen as a sign of delays or bad luck.

A **breaking mirror** is said to bring seven years of bad luck.

A **howling dog**, in many cultures, when near a house is a warning of sickness or death.

An **owl flying over a house** is traditionally viewed as a harbinger of bad news or death.

**Spilling salt** is believed to invite bad luck which can be warded off by tossing a pinch over your left shoulder.

**Itchy palms** is an old superstition that says that an itchy right palm means that money is coming your way.

When **finding a horseshoe**, you hang it up to keep good fortune locked inside your home.

A **butterfly inside the house** is often interpreted as a sign of incoming good news or an important visitor.

A **baby smiling in its sleep** is believed to be an angel speaking to the child.

**Spiders, lowering from their web, dangling right in front of you** is traditionally viewed as a sign of incoming wealth.

**Getting hit by bird droppings or accidentally stepping in dog waste** signal a sudden stroke of financial luck.

A **falling broom that falls over on its own** warns of an unexpected or unwanted visitor.

**Watching a person walk away until they completely disappear from view** means you risk never crossing paths with them again.

A **ring around the moon** is a sign of impending trouble, conflict, or severe weather disruptions.

A **shooting star**, when making a wish upon one, ensures that it will come true.

**Finding a penny heads up** is a sign of good luck.

A **visiting cardinal red bird** is thought to be a deceased grandparent coming to see you.

*"Let no one be found among you who sacrifices his son or daughter in the fire,  
who practices divination or sorcery, interprets omens, or engages in witchcraft."*

*Deuteronomy 18:10*
