

Dear friends,

My spirits have been lifted high this week by the constant love that pours out from the Nazareth family. Thanks for the prayers for healing when my mother suffered a stroke Saturday. She is home with only damage to her left leg and home Physical Therapy says she is doing great. Also, each time a Nazareth Disciple drops by with their weekly pledge or calls to see if anyone needs help, I see the body of Christ at work.

As we continue to live in our new normal, I have decided that we will offer our weekly worship services on video. The service will be much like last week's with music from Dean, prayers and a sermon that continues the Lenten theme of "Called to More". This week we will study together Ezekiel 37:1-14 and hear how we are "Called to Hope More."

Last Sunday, we had an Internet traffic jam when everyone followed our instructions and tried to listen to the sermon at the same time. Once the 65th computer logged on, the highway was closed! Our wonderful Information Technologist, Jim Fisk, doubled our space so this should not happen again! However, by this Sunday at 10:30, you can go on the website, click on the link provided and watch the worship service on You Tube. It will be available any time after 10:30! You can also watch it later. Isn't it fun to go to church in your pj's?

*By highlighting and right clicking the link below from DJ, you will find family-oriented activities and discussion questions for this week's message. Also, **College Students**, DJ is inviting you to a virtual lunch Wed. at 12. She will send out a Zoom message and ID number right before noon and you all can eat in your respective houses and catch up! Hugs from the pastor and hope we are all together soon. Our prayer list is long so see the second page for requests.*

Blessings,

Julie

Things to remember

Please pray for the wisdom of the Session as we meet Monday night and plan for the next few weeks.

Please remember that this Sunday is Pennies for Hunger Sunday. If you would like to drop off a little extra, mark it "Pennies" and bring it to the office one day next week, we will include it in our "bags for the homeless" project. Also, the red bin in the Fellowship Hall still needs water bottles, personal care items, socks, unscented wipes and nonperishable snacks to put in the bags.

Supplies are also running low at the Carpenter's Table. A list of needed items can be found on their website and can be picked up at your home if you are uncomfortable getting out.

If you have dropped off your pledge, thank you. After this week, deposits will be made.

The new *These Days* are here. If you need yours mailed, just call Debby and she will be glad to send it to you. Although we are working from home a little more, someone is usually here Mon- Thurs. 9-2.

IN OUR PRAYERS

Lisa Hayes
Amelia Senn's cousin, Kathy
Doug Hughes' parents
Steve Riggio and family
Buddy Berry and family
Andreas Maul's grandfather, Georg Kohl, and comfort for the family at the passing of Andreas' great aunt
