

Dear friends,

The Session met this past Monday night and voted to continue our suspension of all in person Nazareth activities through June 14th. This DOES NOT include our worship in the church cemetery this Sunday, May 24th. Please pray for the wisdom of our Session as we consider how and when to resume corporate worship. As much as we miss being together as a church family, safety and health is our first priority. You will also receive an electronic survey tomorrow so you can give us input with regards to corporate worship.

This Sunday, I hope to see you at worship in the cemetery at 10:30. The “pulpit” area will be at the flagpole. Bring your own chairs and place them accordingly. Some of our young people will be stationed at the three upper gates of the cemetery to give you bulletins. They will be wearing gloves. Packets for our young disciples will also be at the two upper gates. There will be a cross for us to flower with red, white and blue flowers. Please bring flowers from home if you have them. We have ordered some as well. Lastly, bring your own chair and dress casually. A few extra chairs will be on hand. Pray for no rain and wear your sun hats and visors! Lastly, please read Isaiah 40:21-31 to prepare. Hope to see you all here!

Blessings,

Julie
