

LUDLOW COMMUNITY CENTER
RANDALL BOYS & GIRLS CLUB

May Club Highlights

Our preschool classes went on a nature scavenger hunt, looking for animals and bugs.

With the weather getting warmer, most of our after school program children were seen outside learning to fly kites, making their own bubbles, or playing tag on the playground.

Preschool classroom B incubated and had poults (baby turkeys) hatch!

Our May Youth of the Month is CJ! CJ is such a great friend to everyone at the Club! He is so respectful of all counselors and is a great role model to our K&1 group. CJ is always helping out kids and counselors without being asked!

We are welcoming Sherri, our new Finance Manager, to the Club!

Our new STEAM Coordinator is John! His tasks will include creating Makerspace projects, teen programming, and 3D printing!

STEAM is
Science, Technology,
Engineering, Art, Math
