March Club Highlights

March Youth of the Month is Makaio! He always shows up here with a smile on his face and ready to include others when he plays. He is also good about picking up after himself. Makaio's favorite place to be is at the Club!

Safety Spotlight

We purchased 10 new walkie-talkies so that the team can communicate better and be prepared in the event of an emergency.

The Club has 4 AEDs and 12 first aid kits around the building. Each school age counselor group carries a first aid kit with them at all times. Both the AEDs and the first aid kits have all been updated so that its contents are not expired.
