

Please use the boxes below to mark which game or games you have played before.

Also, we may use your photo on our lobby monitor or for another marketing purpose, so we need your permission. Please print and sign your name below. Our lawyer says that since we don't ask for your home address (too creepy), we need an email address for identification (there are just way too many "Jane Smiths" out there).

Name: _____

Signature: _____

Email: _____

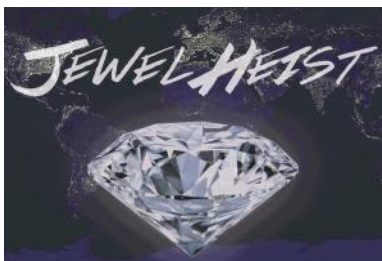

Date: _____

☐

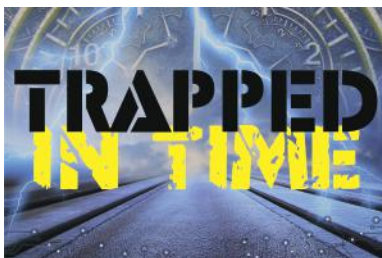

A simple tour of the Center for Disease Control and Prevention turns into a code red lockdown when a toxic spill breaks loose. Can your team find the antidote and prevent a massive outbreak?

☐
