

TheEnd?

The End? story:

An old abandoned cabin located near the mysterious Seniava cemetery has been a cause of a great fear and distress for the locals for many years now. The blood-curdling noises coming from the depths of the cabin definitely make you think twice before approaching it. They say that once upon a time a family that lived there was possessed by an evil spirit and their bodies were found laying in a monstrous pool of blood.

Nowadays, the tragic destiny of the family is following everyone that dares to step into the old cabin.

Your team was invited here to break the curse that was torturing poor people that came into its grasp for hundreds of years and escape with your hearts still beating.

The legend has it – the only way to do it is by destroying the demon hiding in the cabin. One must stab its heart with a dagger. Will your team be able to do it?

Or will you meet your end here too?

INVENTORY:

If you hear the demon speaking, you can use:

I DON'T KNOW YOU. SOLVE MY RIDDLE AND
PROVE YOU ARE WORTHY OF GOING
FURTHER. I WANT TO FEEL YOUR ANSWER:

All about but cannot be seen,
Sometimes it gets kind sometimes it gets mean
it can be captured, but cannot be held,
No visible throat yet still can be heard.

If you saw it in the room, you can use:
