GTL Is Accepting Applications for Lead Tucson Class of 2024 Leadership Training Program

Tucson, AZ (February 3, 2023) -- Greater Tucson Leadership (GTL) seeks dynamic, diverse, and engaged Tucsonans to be a part of their flagship leadership program, now called Lead Tucson, for the class of 2024. For over 40 years, GTL has offered impactful programming to develop leaders, create social force, and strengthen our community. Lead Tucson is a 10-month long program of professional development, personal growth, and connection. Lead Tucson allows participants to meet the change agents in our community, gain leadership training, and to join a network of over a thousand alumni who reach into every facet of Tucson's business, government, non-profit and public service sectors. GTL is committed to increasing access to our programs; therefore, scholarships are available.

Application Deadline: Sunday, April 30, 2023

Candidate interviews: May 2023

Acceptance Notifications: May 31, 2023

Program Begins: Friday, August 25, 2023

*If the application and all materials are submitted by Sunday, April 16th GTL will waive the application fee.

About Greater Tucson Leadership

The Mission of Greater Tucson Leadership is to inspire, develop, and promote leadership that impacts the Greater Tucson Region. Founded in 1980, Greater Tucson Leadership (GTL) is a 501 (c) (3) non-profit, non-partisan leadership organization dedicated to providing leadership education, community development and civic engagement for the overall care of and commitment of our Tucson community for over 40 years. GTL hosts three annual leadership classes; our flagship program, Lead Tucson (1980), our Civic and Political Leadership Academy (2020), and our Tucson Youth Leadership Academy (2021), in which class participants expand their knowledge of our region and become strong community leaders. Participants are inspired to lead as they engage in relevant and immersive experiences; meet local political, community, and business leaders; and take an in-depth look at the regional issues most relevant to our community. Graduates take their new knowledge, visionary thinking, motivation, and personal leadership development training into our community, making our community stronger, more vibrant, and innovative. GTL also offers consulting, coaching, and teambuilding services for businesses, non-profit organizations, educational, and social groups. GTL is a proven leadership organization with a network of alums who have become change agents and are inspired to be community, political, and business innovators.
