New Composting Programs Available for Johnson County Residents and Businesses

The Johnson County Recycling District is excited to announce the addition of a new residential composting collection service at the Johnson County Recycling Center. An evening discussion will be held on February 18th at 5:30 PM at the Johnson County Recycling District, 2250 N Graham Rd., Franklin, to provide details about this program. A guest speaker from Richland Farms will also be present to discuss the availability of a subscription curbside compost collection service for both residents and businesses.

If you are interested in either program, please sign up at jcrd.org/events to learn more.
