

## MONDAY MEMBER MOMENTS

No one can tell your organization's story like you do, and Aspire gives you the opportunity to speak directly to our members through our Monday Member Moments program. Aspire will record a 2-3 minute video of you sharing the latest news from your organization. This video will be posted to Aspire's social media pages on the scheduled Monday you have chosen. Aspire will tag your organization in the post along with the program sponsoring organization, expanding the reach for your video! Aspire will also share the video in the following Tuesday's This Week @ Newsletter which is distributed to over 1,500 subscribers!

**To schedule your Monday Member Moment, contact Aspire at [info@aspirejohnsoncounty.com](mailto:info@aspirejohnsoncounty.com) or 317.888.4856.**
