GRADES

2022-2023 YEAR

| CLASS | COMMENTS | GRADES |
|--|---|---|
| EMPLOYER ENGAGEMENT <u>Major Assignments:</u> <ul style="list-style-type: none"> Employer Workforce Menu Career Day Presentations Mock Interviews | 50 employers completed the Employer Workforce Menu which curates all engagement opportunities into an easy "menu." Aspire worked with employers for Career Day Presentations that introduced careers to elementary and high school students. Aspire's Mock Interviews connected employers with students practicing this important skill. | BUSINESS LEADERS ENGAGED: 524 |
| STUDENT ENGAGEMENT <u>Major Assignments:</u> <ul style="list-style-type: none"> Virtual Business Tours SAT/ASVAB Testing Day Tours for seniors Cybersecurity Career Fieldtrip to the Cyber Academy at Muscatatuck | Students are at the center of our work. Their career success will sustain the local economy for the next generation. Aspire's partnership with Earlywood incorporated extra efforts to connect students with disabilities to local employers. | STUDENTS ENGAGED: 1,010 |
| TEACHER ENGAGEMENT <u>Major Assignments:</u> <ul style="list-style-type: none"> Teacher Fieldtrips "Education and Industry Collaborative" meetings | 80% of k-12 partners are more aware of local career opportunities for their students than before working with Aspire. 60% would not be able, or it would be much more difficult, to make employer connections on their own without Aspire. They average a 50% increase in student engagement because Aspire has provided more business and career exposure. 100% feel better connected to the business community as a result of Aspire's efforts. | TEACHERS / COUNSELORS ENGAGED: 475 |
| FINALS | Aspire developed and supported 16 school to work initiatives, all designed to expose students and teachers to local career paths. These initiatives, along with our ongoing outreach resulted in the total engagement/attendance from our three key stakeholder groups: employers, students, and teachers. | FINAL GRADE: 2,009 |
