Recycling District Announces Eclipse Glasses Collection

The Johnson County Recycling District is happy to announce that the Franklin Mayors Youth Council will be collecting eclipse glasses for reuse through Astronomers Without Borders on April 8th at their booth at the DriveHubler.com Amphitheater at Youngs Creek Park. Look for the “Recycle Glasses Here” signs and deposit any unwanted glasses in the bins.

The Johnson County Recycling District will also be collecting glasses at the Franklin Recycling Center throughout April. Any glasses that are not able to be reused will have the cardboard recycled.

For more information, contact the district office at 317-738-2546.
