

IVY TECH
COMMUNITY COLLEGE

COLUMBUS

Free classes for

SENIOR SCHOLARS

Senior Scholars is a unique program offered at Ivy Tech that enables Indiana residents aged 60 and older to take credit courses at Ivy Tech **tuition-free**. You heard right—if you meet the criteria, you get **free tuition** at Ivy Tech!

Here are just a few special interest, 8-week classes we have to offer our Senior Scholars. **Contact us today to discover more options.**

Photography I

Covers basic photographic theory and technique. Includes image capture, processing, various output methods and light. Study of cameras, lenses, exposure, characteristics of photographic media and output.

Wine Appreciation

Tasting, training the palate, pairing wines with foods, wine appreciation, grape varieties, growing, and home/commercial production are covered. The objective of this course goes beyond excellent training in wine selection.

Metal Arc Welding

Provides students with knowledge of metal arc welding operations and equipment. Provides extensive practice time to produce the skills to make satisfactory welds.

Senior Scholars Criteria

- Indiana resident
- 60 years of age or older at the start of a semester
- Possess a high school diploma or GED
- Retired from your primary vocation
- May not be employed on a full-time basis
