

Document Shredding Evening Scheduled for April.

The Johnson County Recycling District, in partnership with Shares, Inc., is hosting its spring document shredding evening on Thursday, April 23rd, from 4:00 p.m. to 6:00 p.m. This event will take place at the Recycling Center, 2250 N. Graham Rd., Franklin. Shredding evenings are FREE and open to all Johnson County residents and businesses.

Documents will be collected in locked containers and shredded off-site at Shares, Inc. in Shelbyville, IN. If you bring large quantities of paper for shredding, ensure the paper is in a container that can be left behind (preferably boxes). PLEASE NOTE: We will be open for general recycling until 4:00 p.m. ONLY on shredding days. DO NOT line up early, as we will not be able to accept your materials until we shut down the general recycling line. NO electronics, Household Hazardous Waste (HHW), or general recycling will be accepted after 4:00 pm on shredding evenings.

For additional information, contact the JCRD at 317-738-2546 or visit jcrd.org.
