It's the most wonderful time of the year! So, let's explore what this winter season has in store for us. During our Winter Camp, the children will have the opportunity to dive into several winter-related books, conduct cause, and effect experiments, and dive into hands-on craft activities. Don't let this magical experience slip away and join us for Winter Camp 2021! Camp will take place mostly at the school. Weather permitting, we will walk around our local neighborhood.
