

DC Autism Parents proudly presents:

# METRO ACCESSIBILITY COMMUNITY PRESENTATION

Join DC Autism Parents (DCAP) and HSC Pediatric Center's Kids in Action Program for a Metro Accessibility Community Presentation!

Open to children (all ages) and their caregivers, this interactive presentation will provide participants with an overview of the programs and services that Metro offers.

## Participants will:

Learn about the Reduced Fare and paratransit programs

Learn safety practices on the bus, rules, and expectations

Learn about bus routes on a large Metro Rail map and a geographical map that shows Metro stations with the use of Velcro "buses"

Learn how to identify the bus, based on number and direction

Practice boarding a metro bus

Talk to a bus operator about what it is like driving a bus, and what his/her responsibilities are

THE HSC HEALTH CARE SYSTEM
