Project SEARCH provides employment readiness training for young adults aged 18 to 30 with intellectual and developmental disabilities through intensive internships and classroom instruction.

Parents, professionals, and applicants who are interested in applying to the Project SEARCH programs should make plans to attend.

The agenda will include:

- Program overview information on our host businesses — Project SEARCH NIH and Project SEARCH Montgomery
- “A Day in the Life of a Project SEARCH Intern”
- Hear from a former PS intern and parents
- Review application process and receive application materials
