## S.T.E.A.M Workshops

### Littlebits Labs

Littlebits is a system of electronic building blocks that snap together to turn ideas into inventions.

S.T.E.A.M. Workshops allow participants to explore, to think creatively, and to be inventive.

Ages 7-17 are invited to join in the S.T.E.A.M. workshops. Projects are designed and developed by participants so kids at every level can come to a workshop and find a challenge!

Each workshop costs \$15 and participants will have photos, artwork and an enthusiasm for S.T.E.A.M. exploration to take home! For more information contact Sarah Olsen at 231-627-2381.
