

# Online Renewal: Step by Step Instructions

The following are step by step instructions to walk you through the online license renewal for the PACFA program.

## Getting Started

1. Online renewals are processed through the AgLicense system. Go to [www.colorado.gov/aglicense](http://www.colorado.gov/aglicense) or choose "AgLicense" on the PACFA home page <https://www.colorado.gov/pacific/aginspection/pacfa>
2. Registration of AgLicense Account:
  - If you've already registered your account then log into the site using the username and password that you created (this information was also sent to you via email or mail).
  - If you are new to AgLicense and/or have not registered then click on "Register" and follow the prompts to register your account.
  - Account information to Register online was sent to you via email. This information includes your AgLicense ID and Pin ID.
  - If you need to reset your password, please call the Help Desk at 844-235-3815.
3. Payment Types: We accept payments online either by Credit Card or Electronic Check.
  - If you wish to pay for your license fees by Electronic Check, you will need to contact your bank to make sure they accept electronic fund transfers (EFT).
4. Breeders, Animal Rescues, Animal Shelters, Pet Animal Sanctuaries and Pet Transporters:
  - **STOP, if you have not submitted your Annual Statistics yet!** Your statistics must be submitted through the online reporting portal before you renew your license. You may find the Statistics Reporting form portal on the [PACFA website](#).
5. Help Desk and FAQ's
  - The program receives a very high volume of calls and emails during renewal season. Please call the Help Desk at 844-235-3815 first to get assistance with your online renewal. We appreciate your patience and understanding.
  - All renewals are reviewed and approved by the PACFA program. Renewals may sometimes take 2-3 business days to be processed and approved. You may log back into your account to see if your renewal has been approved.
  - If there is additional information or requirements that are needed to process your online renewal the office will be in contact with you.
  - Once your renewal is approved, you will be able to view and print your renewed license from your account. Be sure your internet browser's pop up blocker is turned off to allow you to view the print window.

If you have any questions or need assistance, please contact the Help Desk 844-235-3815, or by email at [cda\\_pacfa@state.co.us](mailto:cda_pacfa@state.co.us), or you may contact your inspector directly.
