

# CATHOLIC EXPERIENCES DURING THE COVID-19 PANDEMIC

## Did you watch mass online during state stay-at-home advisories?

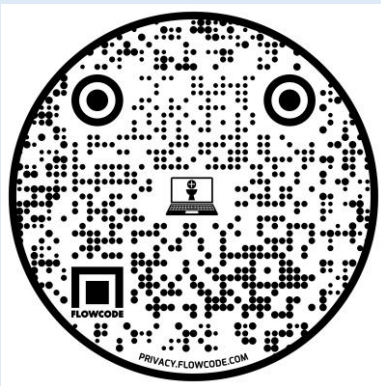

This study is looking for Boston Catholics who want to share about their experiences during the COVID-19 pandemic.

### Participation involves:

- A 5-minute survey
- A 30-45-minute interview

Interviews will be held using Zoom video call software, scheduled at times convenient for participants, and may be scheduled into early 2021.

### Sign up at:

### Eligible participants are Catholic adults who have:

- Received their first communion
- Watched mass on TV or online during the Massachusetts stay-at-home advisory
- Able to engage in an interview in English over Zoom video call software
