

# What Can You Do?

## **Speak Up!**

**Learn more** Support [RATS](#) and the [Hungry Owl Project](#). Log on to their websites to find out what you can do to limit secondary rodenticide poisoning in your area.

**Take Action** Don't buy baits containing second-generation rodenticides. And if you see them on store shelves, urge managers to remove them. If they resist, give them a photocopy of this article.
