Cancer
Society

BRITISH COLUMBIA AND YUKON

January 25, 2018

To Whom It May Concern:

This letter is being written in support of Jason Gray who will be riding in the 2018 Canadian Cancer Society's Cops for Cancer Tour de Coast. The Cops for Cancer campaign is part of the Canadian Cancer Society (charity registration number 118829803RR0001) and raises funds for pediatric cancer research and support programs and services for children and families living with cancer.

The Tour de Coast is a nine day bike tour from the Lower Mainland to the Sunshine Coast, Sea to Sky corridor and back. This year, from September 19 to September 27, our Tour team of law enforcement and emergency services personnel will ride approximately 800km throughout the Greater Vancouver Region. They will be visiting many local schools and businesses to raise money, as well as awareness for pediatric cancer research and support programs for children and families living with cancer.

The success of our Tour relies greatly on community support, as well as our riders. They commit over 6 months not only to physically train for the ride itself, but also to fundraise for our cause. Each of our riders personally commits to raising a minimum of \$6,000 as part of their duties as a team member. They will spend the next few months fundraising in their communities to reach their goals.

Should you require further information about this event, please do not hesitate to contact me.
