For anyone who hasn't heard of the "DRIVE 4UR SCHOOL" event or participated before, the following is a brief description of the program. In 2007, Ford Motor Company came up with the "Drive 4UR School" program to help with much needed funds for extracurricular activities in schools. This one day event is a FANTASTIC fundraiser that gives local schools the opportunity to raise up to \$6,000 in one day. For every test drive taken at the event, Ford will donate \$20 per test drive, up to a total of \$6,000 to the school. It is a win, win opportunity for everyone!

- There is **no cost** to test drivers
- **No** high pressure sales
- Test drive takes about **10-15 minutes** of your time
- Limited to **ONE** test drive per household
- Must be at least 18 years old with a **valid driver's license**

We kindly ask you to help spread the word by posting on your Facebook pages or adding to any newsletters you may send out, bulletins, etc. We hope you can join us for this special event and take a quick test drive to help support the students. **This is NOT A SALES EVENT!!!**

Link Ford & RV, Rice Lake is the proud sponsor of the "DRIVE 4UR SCHOOL" event. With your help and the support of the community, we can max out our donations from Ford and raise \$6,000 for the Rice Lake High School!

We would love to be able to raise the full \$6,000, but in order to do so; we ***really need the support of the community!*** Please bring your neighbors, friends, family, and ***anyone else who can help us win the RACE FOR \$6,000!!!***
