KICK OFF SPRING ON THE GREEN. . .

. . . and provide a work experience opportunity for a young person!!

DID YOU KNOW?

- The Youth Employment Project (YEP) assists young adults with resume creation, job search assistance and interview preparation as well as education on soft skills, customer service and financial literacy.
- In 2018, YEP placed 687 young adults through 180 employers in first job or valuable work experiences.
- The goal for 2019 is to place 1,000 youth with employers throughout the region.

Please help us create a work experience or first job opportunity for a deserving young person.

The Workforce Alliance helps match local youth with employers in structured work experiences. The Jobs FORE Youth Tournament helps fund these valuable connections.
