**Hi! Our names are Devin, Jordan, Keira and Landon and We love when we are together!**

Keira, Landon, Jordan, and Devin are a bonded sibling group of four of Caucasian descent. Devin is a playful and happy child who loves to jump on his trampoline, be read to, and has a great relationship with his pet dog who is in his home! Devin has some special needs including Albinism, microcephaly, and developmental delays. He has made tremendous progress with the support of his providers!

Keira and Landon currently reside together in the same foster home. Keira is described as sweet and well-mannered child. She loves arts and crafts and watching Tom Brady play football! Keira has a happy temperament and enjoys painting her nails, riding her bike, and being helpful around the home. Landon is an energetic child who is described as having a sweet and bubbly personality. He absolutely loves animals, trucks and cars. While he prefers to play with other children, he also likes to be around adults and play on his own. Jordan is described as bright, curious, sweet and kind child who loves to read books! Jordan is currently in preschool and he plays well with other children and loves to be around animals.

Not yet legally freed for adoption, their social worker would love to find a family that could keep all four children together. They are not currently all placed together but look forward to seeing each other at visits. It is very important that the children are still allowed to visit with their older siblings who are placed separately.

CFCs and MARE collaborate in placing waiting children with forever families in permanent homes. For more information about any of the waiting youth profiles, visit our websites:
