God Refreshing Our Women
LAKEWOOD Women's Ministry

Hello Lakewood Women!
The February meeting of Enrichment will be held next
Thursday, February 20, at 2pm, in the CAC Dining Room.
You won't want to miss this one!

Kay Aldridge, our outgoing President, will "pass the gavel" to **Ginny Montgomery**, who, at the January meeting, was unanimously elected to serve as our President for 2025! We take this opportunity to thank Kay for her amazing and faithful leadership over the past four years!

Our special guest speaker will be **Jane Green, Chair of the OCB**! Jane will unveil the mystery of Lakewood's One Church Board by explaining the make-up of the Board, its specific committees, and how each committee functions. She also will provide an update on current projects and share future plans. Please bring your questions and suggestions for Lakewood.

And something new…at the January meeting (always our planning meeting for the year), Kay introduced a new meeting feature you will start seeing, beginning this month. At the planning meeting, several of you generously volunteered to serve as **Hostess** for one of this year's meetings to oversee logistics and ensure that the meeting runs smoothly. We thank **Sue Blyth** for volunteering to serve in this role for February. And we thank **Maxine Aldridge** and **Janis Walterhouse** for generously providing our refreshments to top off what promises to be a fun-filled and informative afternoon! If you have any questions, please call or text Ginny at (904)655-1552 or Sue at (904)755-4473.
