

G F S Extended Care

WHAT IS S T E A M?

S T E A M is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics. **S T E A M** is a way to teach how all things relate to each other. To learn more, visit

Preschool is all about the process of exploration and discovery!

**Extended Care is now offering Art & Science on Tuesdays and Fridays
from 9:00 a.m. to 12:00 p.m.**

For instance, we will make our art materials and then create the masterpiece du jour. We want to provide a fun, messy and sensory experience and every session will connect Art & Science. There is no extra cost to this program, just the Extended Care rate of \$27.00

If you would like your child to participate, don't miss this opportunity!

Please fill out the form below and return it to Extended Care or contact
extendedcare@goshenfriends.org to reserve a spot. Thanks!!
