

Gift Card Fundraising

To Support Goshen Friends School

Introduction

How it works is simple: Scrip is a fundraising organization that sells gift cards from ~700 retailers. Give them as gifts, or buy them for purchases in your everyday life. The retailers give a percentage of your purchase to Goshen Friends, and you can use the gift cards at their full value.

You buy a gift card

You get the full value.

The brand gives back

No extra money comes out of your pocket.

Your organization earns

Impacting what matters most to you.

Retailers donate anywhere from 1% to 20% of the gift card value as a “rebate” to Goshen Friends. Every purchase helps our school, but remember you have the most impact when you buy from retailers that give the biggest % rebate back to our school!

There are two ways Goshen Friends fundraises with Scrip:

(1) eGift Cards	<ul style="list-style-type: none">• Purchase on the Scrip website or RaiseRight Mobile app• Access instantly in your Scrip virtual “wallet”• Email them as gifts• Make them part of your everyday life -- the more you use them, the more our school earns!
(2) Physical Gift Cards	<p>(A) <i>Only</i> when you use the RaiseRight mobile app, 250+ retailers will ship to you or your gift recipient (for a small fee)</p> <p>(B) Buy twice a year with the school’s group order</p> <ul style="list-style-type: none">• November (before the holidays)• April (before end of school year) <p>Place your order online or use our paper order form</p>

Thank you so much for taking the time to consider this fundraiser. Whether you participate a little or a lot, together we can have a **big impact** on Goshen Friends!

FAQs

Q: What types of gift cards are available through Scrip?

A: Scrip sells gift cards from ~700 brands. Different brands offer some or all of the following:

- eGift cards -- available immediately, usually in \$5 increments
- Physical gift cards -- usually available in 1-3 denominations (e.g., \$5, 25, 100)
- Reloadable gift cards -- use your Scrip online account to add value

Q: How do eGift cards work?

A: eGift cards are available immediately if you pay by bank account or credit card. They will appear in your virtual “wallet” in your Scrip online account. When you purchase an eGift card, you will receive instructions on how to use it (e.g., use a special code with your online order, show a barcode on your phone at the store).

Q: How do reloadable physical gift cards work?

A: Only certain brands offer this type of card. When you buy a reloadable physical gift card, you can use your Scrip online account to “register” the card using its serial number. Then you can add more value to the physical card any time using your Scrip online account.

Q: What if I order a physical gift card on the Scrip website when our school is not placing its twice-yearly gift card order?

A: You have three options:

- (1) Contact the coordinator to cancel so you can order an eGift card instead;
- (2) Wait for the school’s next gift card order to occur (Nov/Apr); or
- (3) Use the RaiseRight mobile app instead – 250+ brands will ship physical gift cards directly to you or your recipient for a small fee, *only* through the RaiseRight mobile app.

Q: What if I choose “pay by check” when ordering online?

A: Paying by check is discouraged outside of our twice-yearly physical gift card order (Nov/Apr), because it takes extra time to process your review and approve your order. However, you may choose to “pay by check” and send money via our Venmo (@GoshenFriends-GPC), or send the check to the GPC via backpack. If you choose this option, the GFS Scrip coordinator will contact you to confirm the timeline!

Q: Who do I contact with questions?

A: The Scrip website has many more FAQs at shop.shopwithscrip.com/Support/faq

If you still need help, contact the GFS Scrip coordinator:
