

OCTOBER SERVICE PROJECT

Benefiting Goshen Fire Company

Each year, the **Goshen Fire Company** visits our school in October to teach us about fire safety and prevention. Students are always so excited to learn about what firefighters do, explore the fire truck, and even squirt the fire hose!

This fall we'll be saying **"THANKS"** to the members of the Goshen Fire Company for everything they do for our school and our community by collecting snacks and drinks for their firehouses on Park Avenue and Boot Road. If you'd like to contribute to this **SNACK DRIVE**, please send in **nonperishable individual-sized snacks and drinks** that members of the fire company can enjoy when they have down time between calls: chips, cookies, pretzels, popcorn, Gatorade, seltzer waters, and bottled water are just a few ideas. Feel free to choose your favorite snack!

Please send in donations via car line, or deliver directly to the Office, no later than **TUESDAY, OCTOBER 9**. The firefighters will be visiting Goshen Friends on October 10 and 11, and we will be presenting donations to them on those days. Thank you!
