

## IT'S TIME ONCE AGAIN TO SPREAD JOY TO THE RESIDENTS OF DEVEREUX'S KANNER LEARNING CENTER!

The Center provides residential and special education services to over 300 youth ages 6–21 with mental disabilities. Many of these residents have no families and rely on the generosity of the community for their Christmas wishes to come true.

### DONATION DRIVE

The center asks our community to help make Christmas special for its residents by donating these items:

- \* Hats, Gloves, & Mittens (boys' large to adult medium, girls' large to adult medium)
- \* Art Supplies (Preschool level)

Donations will be collected through December 14. At school, teachers will emphasize the importance of giving during the holiday season. The children will hang hats and gloves on a special tree in the Preschool hallway, and art supplies will be placed under the tree.

### TREE DECORATING PARTY, FRIDAY, DECEMBER 7, NOON TO 2 P.M.

Goshen Friends will also be brightening the holiday season at Devereux by donating a decorated Christmas tree! We are inviting all Goshen families to join us in the Grange on December 7 from noon to 2 p.m. to create special holiday ornaments—one to take home and one to hang on the Devereux tree. We'll provide pizza and drinks for all who attend! **Please note: All children must be accompanied by a caregiver.** To RSVP for the Tree Decorating Party, fill out the form below & return it via backpack to the attention of Patrice Brown.

Thank you for all you do to spread joy at the holidays—and all year round!
