

# Goshen Parent Community

## What is the GPC?

We're a group of parents who work with faculty and staff to enrich our children's experiences at Goshen Friends. We support our teachers, plan fun social events, and organize fundraisers. The money we raise directly benefits the school -- we help fund campus improvements, student activities, and school community events.

## How can I get involved?

- Attend monthly meetings -- we're friendly and fun!
- Share ideas and suggestions
- Participate in events and fundraisers
- Volunteer anytime you want -- no pressure!

## Events we sponsor

- Monthly Restaurant Nights
- Teacher Appreciation Celebrations
- Parents Night Out
- Valentine's Dance
- Annual Bookfair and Read-a-Thon
