

**Applications must be submitted within 30 days of safety inspection.
Forms cannot be emailed, faxed or mailed. All forms must be
uploaded to the Texas Saves with Propane web portal.**

ALL REQUIRED INFORMATION to qualify for this program MUST be provided.

1. Registration with program. Sign-up at www.txsaveswithpropane.com.
2. A copy of the completed application (includes PDF and online).
3. To show appliance proof of purchase, please provide a copy of the end user's sales receipt or invoice indicating that it has been paid (ex. invoice with zero balance or marked paid) (dated after April 1, 2021). For new construction proof of purchase, our program accepts purchase contract/builder contract with home buyer, bill of sale, builder contractor's work order with the installation address, Texas Gas Check Form or Gas Appliance System Check Form.

**NOTE: This form must be signed by both the rebate recipient and propane marketer.
Application must be submitted by the propane marketer ONLY (on behalf of recipient).**

The completed application and proof of purchase must be **uploaded** with accompanying required documentation via our secure web portal at www.txsaveswithpropane.com within **30 days** of the safety inspection, or the application will be void.

The Texas Saves with Propane Program will only be available as long as funding is available.
The Propane Council of Texas reserves the right to end this program at any time without notice.

- ☐ Malfunctioning Unit ☐ Appliance Availability ☐ Other: _____

Propane Appliance Texas Installation Address

Installation Address: _____

City: _____ State: **TX** Zip: _____ Phone: _____

Date of Propane Safety Inspection: _____

Submission of the Application form constitutes a representation on the part of the participating propane marketer that the work shown on the form has actually been completed. I have inspected the equipment and performed a safety inspection at the address listed above in accordance with the standards set forth by the state regulation. As a result of that inspection, I have determined that the equipment meets all of the applicable standards, code, and regulations in Texas for authority having jurisdiction and complies with manufacturer's installation instructions.

The Propane Council of Texas (ProCOT) assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying propane appliance or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance or the associated gas system. The Propane Council of Texas disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential, or compensatory, directly or indirectly arising from the installation of the qualifying propane appliance.

Propane Technician's Printed Name: _____

▶ Propane Technician's Signature: _____ Date: _____

The Propane Council of Texas assumes no liability or reliance on this form.
