**About Brightline**

Brightline is the first privately funded passenger rail system in America in over a century. Brightline is designed to reinvent travel and take cars off the road by connecting city pairs and congested corridors that are too close to fly and too long to drive. Providing fast, efficient, hospitality-driven transportation featuring the latest in customer-friendly amenities, Brightline currently operates in Florida between Miami, Fort Lauderdale and West Palm Beach, with plans to expand to Orlando, Boca Raton, Aventura and PortMiami. The company is also on track to break ground between Las Vegas and Southern California in 2020.
