

WE THE PEOPLE MUST FIGHT TO PROTECT OUR PLANET AND OUR FUTURE!

JOIN THE D.C. CLIMATE STRIKE AND MARCH ON SEPTEMBER 20!

The earth continues to warm, climate extremes are frequent, species are threatened, life on earth as we know it is imperiled. But our national political leaders have failed to respond adequately to this urgent threat.

Fortunately, young people around the globe have begun taking a lead role in calling for our leaders to take swift and meaningful action to mitigate climate change. To focus attention on the urgency of the climate crisis, our youth have called for a worldwide week of action, kicking off with a Climate Strike and March on Friday, September 20. They've asked adults to come out in large numbers to support them. Let's do it!

The Green Tikkun Committee and its Climate Action Working Group encourage all Adat Shalomers to be part of this global climate strike and march because there is no more serious issue facing the planet. Our climate is in crisis and time is running out! Of course, each person or family must make his/her/its own decision whether to miss a day of school or work. But, as you know, numbers do count – and the Earth is counting on us.

Logistics: The March will run from 11 am – 2 pm, beginning at the White House and ending at the Capitol. Adat Shalomers will march as part of the faith contingent, along with Interfaith Power and Light and others. Stay tuned for a listserv notice of specific meeting place. But **PUT SEPTEMBER 20 ON YOUR CALENDAR NOW** and plan to join us to march under the Adat Shalom banner. Bring posters!

According to the Mishnah, God said: "See my works, how fine they are. Know that all I have created, I created for your benefit. Think about this and do not corrupt and destroy my world. For if you destroy it, there will be no one left to restore it after you."

SUPPORT OUR YOUTH IN THEIR CLIMATE BATTLE!

LEAVE OUR CHILDREN AND GRANDCHILDREN A LIVEABLE WORLD!
