

Wally's Playground

A playspace for everyone!

Community Partners! Come build with us!

We're building a much-needed neighborhood playground for the kids of Pasadena!

Only one in four kids in the US are getting the recommended daily amount of physical activity. The well-being of our communities starts with the well-being of our kids!

Help make Pasadena more playful by participating in the creation of a NEW community built PLAYSPACE for neighborhood kids and their families! Let's show that play matters!

This incredible opportunity is in partnership with **Pasadena Foursquare**, **Kompan** and **KaBOOM!** (the national nonprofit dedicated to building playgrounds for children in under-resourced areas).

Members of the community are rallying together around this unique opportunity! You can join as a key contributor in these areas:

- **Volunteer!** 150 enthusiastic workers are needed on Build Day!
- **Gifts in Kind:** Food, drinks and supplies needed for Build Day.
- **Tools:** Loaned for Build Day, see the next page for specifics.
- **Financial Contribution:** All donations are tax deductible!

The following page provides all needed details to get involved!
