

Science Club Favorites

This session we are revisiting some fan favorites. Students in grades 1-5 can come and learn more about science and have fun experimenting. The club meets on **Tuesdays** from 3-4 after school. Your child can be picked up by family center doors. .

11/3 Roller Coasters

11/10 Fall catapults

Conferences and Thanksgiving Break

12/1 Bristle Bots

12/8 rocket launchers

12/15 non newtonian fluids (slime)

****Please bring a small afternoon snack to eat at the beginning of the club.**

Students must pre-register to attend. Cost is $60.

(Cash only please) no refunds

Please complete the form below and return with payment by October 30
