Guiding Young Men through Faith, Tradition, and Leadership

100

1927 – 2027

YEARS STRONG
BUILT FOR WHAT'S NEXT

Community • Discipline • Hospitality • Stability • Work

A FUTURE FULL OF PROMISE — GROWING, FORMING, ROOTED IN FAMILY

Welcome to Benedictine High School! As your President and a proud Man of Benedictine, I'm honored to welcome you to a community where growth and formation are a shared journey — one your family and ours will walk together. This year, we celebrate a special milestone: Benedictine's Centennial — 100 years of forming young men of faith, character, and brotherhood.

This is a season of tremendous optimism at Benedictine. Last fall, we opened our brand-new Student Commons and this spring, we unveiled our Student Experience Center, giving students hands-on access to the tools shaping careers in STEM, Robotics, Advanced Manufacturing, and Construction. These investments reflect who we are: a school preparing young men not just for college, but for life, by pairing rigorous college preparatory academics with real, hands-on skills for the future. Through Benedictine Pathways, every young man receives a personalized academic and leadership plan for success before, between, and beyond high school.

None of this growth happens alone. We believe education is a partnership between student, family, and the school. Every family who joins us becomes part of the Benedictine story. Inspired by the 1,500-year tradition of St. Benedict, we walk alongside your son as he grows in humility, strengthened by work and prayer, and united in brotherhood. Here, he's formed intellectually, spiritually, and socially, in an environment as nurturing as it is rigorous.

As we mark 100 years of Benedictine, I invite your family to join us in this exciting new chapter where a century of tradition meets tomorrow, and where together, we help young men become confident leaders in their families, careers, and communities.

With gratitude and optimism for what's ahead,

David E. Schroeder '90
President, Benedictine High School

Benedictine High School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Shaping the Future

Indoor Training Facility

A new 15,000-square-foot athletic training facility will provide a premier, year-round environment for athletes to train and perform at their best. Featuring indoor turf, a new weight room, and dedicated training spaces, the facility will offer the tools and flexibility needed for peak performance in every season.

Locker Room

Home and Away locker rooms, coaches' offices, and athletic training room will be updated to reflect a more modern appearance.

Center for Fine Arts

A re-imagined Fine Arts Center at Benedictine High School will provide state-of-the-art facilities for students to explore their creativity in visual arts and performance. This innovative space will support artistic expression and skill development, enhancing the school's commitment to a well-rounded education.

EXPERIENCE BENEDICTINE

Roman Catholic College and Life Preparatory School

- **Prayer and Work:** We are the only high school in Northeast Ohio with a monastery on campus, including an Abbey Church, which holds our entire student body, enabling us to celebrate Mass as a school community. Benedictine has the largest monastic presence in Northeast Ohio.
- **Benedictine Pathways:** Benedictine High School offers programming — **before** 9th grade, **between** 9th-12th grade, and **beyond** graduation. We provide the resources and wrap-around support necessary to not only change young men, but change lives, communities, and the world around them.
- **B-Term:** when the traditional school year concludes, we give our young men the opportunity to take a deeper dive into a subject of interest over a 2 week time period. B-Term gives our students an opportunity to explore subjects for which they have a passion, allowing them to explore, research, discuss and present topics in-depth.

Pairing these experiences with a college-preparatory education prepares students for lifelong learning in college, their careers, and everyday life.

Scan the QR code to hear what students have to say:

College Acceptance

We take pride in developing young men in mind, body and spirit. We're dedicated to college admissions. Here are just some of the institutions accepting Benedictine graduates from the Class of 2026:

College Credit That Counts

— *Right Here on Campus*

At Benedictine, students don't have to choose between a strong high school experience and a head start on college. With **34 CCP, AP, and Honors course options**, we provide one of the most robust advanced academic programs among private high schools in Northeast Ohio.

What sets us apart? **Five credentialed adjunct faculty members teach College Credit Plus (CCP) courses right on campus**—making it possible for students to earn real college credit during the school day without ever leaving Benedictine. Unlike AP courses, where college credit depends on a single high-stakes exam, **CCP credit is earned with a grade of C or higher**, creating more opportunities for success.

And the benefit isn't just academic—it's financial. With the **average cost of a college credit hour in Ohio hovering around $500**, students who take full advantage of our CCP offerings can save families **thousands of dollars in future tuition costs** before ever setting foot on a college campus.

At Benedictine, your investment today pays dividends tomorrow.

YEARS STRONG
BUILT FOR WHAT'S NEXT

Rooted in tradition. Designed for the next generation.

At Benedictine High School, a 100-year legacy shapes everything we do — and now it can help shape you. Step into new spaces built for how you **learn, connect, compete, and grow.**

Student Experience Center

Explore career pathways, hands-on learning, and real-world opportunities in a space designed to prepare students for what's next.

Student Commons

The new heart of campus life — built for connection, collaboration, and the everyday moments that create lifelong brotherhood.

Bossu Field & Athletic Upgrades

New turf. Modern facilities. A game-day experience built to inspire pride, performance, and the next generation of Bengals.

For admission related questions, scan the QR code or contact Director of Admissions **Mike Stircula** at **admissions@cbhs.edu** or **216.421.2080 ext. 356.**
