If you are tired of being pushed around, come join us and become equipped for combat! Learn how to activate the armor of God (from Ephesians 6) through powerful and strategic prayer. "No weapon formed against you shall prosper, and every tongue which rises against you in judgment, you shall condemn. Let Your Life Speak: Listening for the Voice of

Vocation Crossroads Youth Center (upstairs)

9:45 - 10:45 A.M. All young adults (ages 18-30+)

"What career should I pursue?"

"Why do I feel like I'm not happy with what I'm doing?"

"Who did God create me to be and do?"

As young adults, despite our jobs and the education we are pursuing or already have, we are still figuring things out. The dust hasn't settled yet. Our vocational restlessness is not an issue only to be shared with a career guidance counselor, but is deeply spiritual and needs to be brought before God. In this Sunday morning small group throughout the Lenten season, we will explore what it means to discover our "true self" and with that our sense of vocation. We will be reading and discussing a short book together by Parker J. Palmer titled "*Let your Life Speak: Listening for the voice of Vocation*" one chapter at a time for six weeks.

Mondays

Why the Middle East Matters to Me as a Christian 9:30 am Cornell House

This class hopes to create a framework to better listen and understand news headlines and stories about Israel, West Bank, Gaza, Jerusalem... working toward a common base for understanding how we as Christians are touched and impacted. Blessed to have guest speakers helping us begin this journey, we will learn from first-hand experience and history too. Let's deepen our knowledge in the places where our faith began, and develop even deeper compassion in loving those abroad as well as those in our own neighborhoods.

Every Good Endeavor: Connecting Your Work to God's Work – 7:00 pm Room 202

Many of us spend the majority of our waking lives working, yet – especially for those not working directly for the church - often our work lives can feel disconnected from our spiritual lives. The message from our secular culture is that we work primary to acquire money, power and/or to find a means of self-expression or personal fulfillment, but the Bible offers a very different conception of work. This group will read Tim Keller's book *Every Good Endeavor* to help us wrestle with key questions like: Why do you want to work? Why is it so hard to work? How can we overcome the difficulties and find satisfaction in our work through the gospel?
