MONDAY, NOVEMBER 3, 2025 (9:00 AM – 11:00 AM)

COURSE DESCRIPTION:

As per AHERA Regulations, the Designated Person shall be responsible for the following:

A. Ensure that the activities of any persons who perform inspections, re-inspections, and periodic surveillance, develop and update management plans, and develop and implement response actions, including operations and maintenance
B. Ensure that all custodial and maintenance employees are properly trained as required
C. Ensure that workers and building occupants, or their legal guardians, are informed at least once each school year about inspections, response actions, and post-response action activities, including periodic reinspection and surveillance activities that are planned or in progress.
D. Ensure that short-term workers (e.g., repair workers, utility workers, or exterminators) who may come in contact with asbestos in a school are provided information regarding the locations of ACBM and suspected ACBM assumed to be ACM.
E. Ensure that warning labels are posted in accordance with 763.95.
F. Ensure that management plans are available for inspection and notification of such availability has been provided as specified in the management plan under 763.93(g).
G. (1) Designate a person to ensure that requirements under this section are properly implemented.
   (2) Ensure that the designated person receives adequate training to perform duties assigned under this section. Such training shall provide, as necessary.
      (i) Health effects of asbestos.
      (ii) Detection, identification, and assessment of ACM.
      (iii) Options for controlling ACBM.
      (iv) Asbestos management programs.
H. Consider whether any conflict of interest may arise from the interrelationship among accredited personnel and whether that should influence the selection of accredited personnel to perform activities under this subpart.
