## HIGHWAY SAFETY DAY INCLUDES:

- » Variety of Safety Training Topics & Speakers
- » Qualifies for 7.5 hours of MSHA Annual Refresher Training
- » Annual Audiograms
- » Breakfast & Lunch

*"Barron County takes the safety of our team very seriously. We have been utilizing County Mutual's Highway Safety Day Training to provide the necessary annual training for our entire crew. Having a well-organized one-day training has proven to be the most efficient way for Barron County to ensure that we are receiving the training we need. I always receive comments from our crew that the information they receive is relevant and timely to our organization."*

*- Mark Servi, Barron County Highway Commissioner*

## REGISTRATION INFORMATION

Safety training topics, registration information and specific location details will be available in March. If you have any questions, please contact Jodi Traas, Senior Risk Management Consultant, at [jodi@aegis-wi.com](mailto:jodi@aegis-wi.com) or at 800.511.9797

## COVID-19 PANDEMIC

The Wisconsin County Mutual Insurance Corporation and Community Insurance Corporation are planning the 2021 Highway Safety Days to take place in-person. We may move the training to a virtual format in the event of the continued threat of the COVID-19 Pandemic.
