

The Woodcraft Rangers Legacy Continues

Summer Residential Camp 2016 had Los Angeles youth enjoying Woodcraft Ranger traditions; appreciating and learning about nature, camp fire songs and games, and creating life long memories. The youth ventured to Big Bear in early August for 2 separate 1 week over-night camping trips that encouraged their adventurous spirit to explore the great outdoors while building a solid foundation of confidence and leadership.

We would like to thank Alumni Rachel Berliner, a Stanley Ranch camper, who's donation helped many campers experience the Woodcraft Rangers legacy.

We can't forget the wonderful Camp Counselors
