- Internal Medicine – Sanford: Level 3

Southern Maine Agency on Aging Wins Prestigious Business Award

Congratulations to the Southern Maine Agency on Aging (SMAA) for winning The John A. Hartford Foundation Business Innovation Award. The award was developed to honor community-based organizations that have successfully partnered with health care entities. Larry Gross, CEO of SMAA was presented the award at the n4a 41st Annual Conference and Trade Show in July. Nominated by the MaineHealth ACO, SMAA was recognized for their transformative work to sustainably improve the quality of life of older adults and people with disabilities.
