

The Laredo Chamber of Commerce to be closed temporarily.

Dear members and friends,

For the health, safety and well-being of our visitors, employees and communities, our staff will be working remotely. We are temporarily closing our office effective **March 23, 2020** until further notice.

We feel that the best way to serve you in light of Covid-19 is to closely follow the guidelines set by Health and City officials. We will continue to monitor the situation very closely and will remain available to answer your concerns.

Although our physical doors will be closed, our virtual lines will all be open. Contact us **via email, phone or check out our website** for the most reliable, up-to-date information we have.
