

Additional AVON U Activities

Once you complete your new Representative onboarding training, be sure to take advantage of all the additional activities in AVON U! Here's a brief description of some of the additional badges you might be interested in next.

Avon Compliance

Meet Lori, our enthusiastic new Avon Representative. Unfortunately, Lori has not taken the time to study Avon's policies about some of the laws and concepts regulating the advertising and sale of our products and services. Follow along with Lori and observe the compliance pitfalls she encounters along the way.

Avon Fundraising Specialist

When you partner with a worthy organization to raise money, you're not only connecting with your community, you're reaching new customers and boosting your potential sales and earnings. Learn about the fundraising options, then get started with our easy steps and tools.

BOSS Life Selling System

Learn the ingredients in Avon's proven recipe for success! You'll earn the BOSS Life Selling System badge when you complete all four parts of the program: Belief, Outreach, Selling, and Support!

Belief

Build a strong foundation for your business by defining your Belief, Story and Dream. (This is the B in BOSS Life Selling System)

Building an Online Business

Learn how to build your online business with six simple steps...get digitally ready; convert your existing customers to become online customers; get new online customers; recruit new Representatives, become an influencer, and the always important task of following up!

Additional AVON U Activities

Introduction to Espira

Meet Espira, Avon's health and wellness product line. As you earn this badge, you'll learn how you can empower the health of women and men everywhere and inspire them to a healthier life with high quality nutritional supplements formulated with effective ingredients for results you can see and feel.

Outreach

Learn how to perform thoughtful Outreach that will allow you to achieve your Dream! (This is the O in BOSS Life Selling System)

Selling

Learn how to confidently GROW your business through the power of a conversation. (This is the first S in BOSS Life Selling System)

Social Selling Simplified

Create your social media strategy and brand identity to ensure your social media success!

Support

Learn how to support and strengthen your business by engaging with others and performing activities that will help you more effectively connect with customers and grow your business. (This is the second S in BOSS Life Selling System)
