

# Connect with Other Beauty Bosses

Your Avon community includes over 200,000 Representatives and Leaders who are all working hard to launch and grow their businesses. We are proud of our Avon Community and the collective voice we have found and continue to urge our Representatives and Leaders to connect with one another.

You can connect with other Representatives in Facebook groups such as the [Avon USA Representatives](#) page or [Social Selling by Avon Social](#). You could even search Facebook for local groups in your own area! You'll experience the excitement of being a part of Avon, and feel the power of a likeminded group of people engaging with each other and even encouraging each other. We also have [Communities right here in AVON U](#) where you can join the discussions.

Facebook is a great way to break down geographic barriers but it's not the only way to connect to your fellow Beauty BOSS friends!

Find ways to build connections by attending and participating in LIVE events, such as RepFest, Avon's fabulous convention where you can meet thousands of other Representatives and make lifelong relationships.

Avon also sponsors regional training workshops where you can meet other Representatives closer to home.

Your Mentor might schedule Team Meetings where you can meet others in your team. You could even host your own Meet & Greet and find interested customers!

You'll meet lots of people along your journey...don't be afraid to reach out and ask if someone would like to stay connected or be willing to mentor you. Journeys are always more fun with good company!
