

THE CALIFORNIA DEPARTMENT OF
HOUSING & COMMUNITY DEVELOPMENT (HCD)
IS URGENTLY HIRING FOR

18 Disaster Relief Positions

Our Mission

Promote safe, affordable homes
and strong vibrant communities
throughout California.

Our Vision

Every California resident can live,
work, and play in healthy
communities of opportunity.

THE OPPORTUNITY TO BE IMPACTFUL

We need your talent to assist in California's recovery from the recent, unprecedented devastation to our state caused by wildfires, flooding, mud and debris flows. The Department of Housing and Community Development (HCD) is seeking qualified, experienced individuals to build a new unit entirely committed to disaster relief and recovery efforts throughout the State.

*The State of California has received
over **\$1 billion in funding** from the U.S.
Department of Housing and Urban Development
(HUD) to address disaster recovery.*

The Disaster Recovery unit will work on the cutting edge to design and implement critical recovery programs and long-term mitigation strategies to rebuild impacted California communities, while working to reduce impacts of future disasters. The unit will focus on key programmatic and policy areas including:

- » Housing
- » Infrastructure
- » Economic Development
- » Environmental Mitigation
- » Procurement, Monitoring and Compliance

“ *A resilient community is able to resist and rapidly recover from disasters or other shocks with minimal outside assistance. Reducing current and future risk is essential to the long-term vitality, economic well-being, and security of all communities. By identifying future risk and vulnerabilities, resilient recovery planning can maximize preparedness, save lives, and bring benefits to a community long after recovery projects are complete.* ”

-California Department of Housing and Community Development
2015 National Disaster Resilience Competition Application
