

## Candidate Information

Name: **Jay D. Aronowitz**

Dwelling Type: Single Family

Ownership Type: On-Site

Residency 17 Years

## Candidate Statements

### **My reasons for wanting to serve on the Board are as follows:**

I have served on the Board for 5+ years, as Secretary, Treasurer and Member-at-Large. I am a long time resident who absolutely LOVES Island Creek and has worked hard to maintain it as a wonderful home for our residents to live and a desirable community for future owners/tenants. My experience as a former Executive in Human Capital, and Diversity and Leadership, has postured me to working and building highly effective teams in solving complex problems. These competencies have served me well as a Board member in supporting our wonderful community.

### **My experience (including those in Management, Finances, Risk Reduction & Contracting) would make me an asset to the Board and Community because:**

Led organizations of up to 125 personnel with an operating budget of over \$200M; oversaw the US Army Enterprise HR Information System and associated contracts; charged with continuous process improvement, risk management and mitigation throughout my 34 year career as an Army Civilian employee, supervisor, manager and leader.
