

CALGreen Non Residential Code

Speaker

Colleen FitzSimons is a project manager working as a sustainability consultant in San Diego and the Bay Area.

Colleen assists project teams to meet, understand and design to green building code requirements and a variety of local green building ordinances. Colleen also facilitates LEED, Living Building Challenge and GreenPoint Rated green building certifications. Colleen has helped organizations to craft Climate Action Plans and Sustainability Plans with policies and programs to support tracking and meeting the plan targets. Her expertise extends to municipal, mixed use and commercial buildings, from working with organizations such as the Related Companies, Monterey Bay Aquarium and Presidio Trust.
