City Budget: City Council Approves Budget

On May 20th, the Chula Vista City Council approved the Fiscal Year (FY) 2025-26 $617.2 million budget, including a balanced General Fund operating budget of $305.6 million and a Capital Improvement Program (CIP) budget of $29.6 million. The operating budget includes $33.7 million in Measure A Sales Tax Fund expenditures and $17.0 million in Measure P Sales Tax Fund expenditures. The Measure A and Measure P Citizens' Oversight Committees affirmed that the adopted budgets for these funds are in compliance with the adopted respective expenditure plans.

To allow public participation in the budget process, staff conducted three community budget presentations and provided opportunities for submission of public comments. After accepting the City Manager's proposed operating and CIP budgets at their May 6th meeting, City Council held a public hearing on May 20th to hear public testimony and adopt the budget. The City's Fiscal Year 2025-26 budget is available on the website.
