Sustainable Holidays

Join us for a Sustainable Holidays webinar on
Thursday, December 17 at 4:00 pm.

Learn how to make your holiday décor and home more energy efficient, comfortable and safe. We'll also provide waste reduction tips for the holidays and you'll learn how to properly dispose of holiday-related items like wrapping paper, used turkey frying oil, Christmas trees, used batteries, packaging and food containers.

Speakers will include Sarah Feteih from San Diego Food Systems Alliance and City of Chula Vista Office of Sustainability staff Martie Solomon and Cory Downs.
